

# Barns of the Finger Lakes

Barns are a strong representation of the resilience and strength that people in Agriculture carry with them; the farmers, ranchers, and all of us involved.

In an effort to showcase the beauty of that, we are seeking art entries of the many different barns of the Finger Lakes.

Our goal is to create a large exhibition to be shown at the Phelps Arts Center during Sauerkraut Weekend.

The only rule is that the barn must be located within the Finger Lakes Region.

DIVISIONS:  Professional  Amature  Student (Middle/High School Only)  Children (Ages 12 and under - by age group)

Prizes will be awarded on Sauerkraut Weekend for 1st, 2nd and 3rd place in each division. Winners will be notified.

ENTRY MEDIA:  Painting  Drawing  Photography  Barn Quilts

\$5.00 per entry. Photography entries must be framed or matted. All entries must be able to be hung.
